CENTRAL COAST PINOT NOIR

IN THE VINEYARD

Old World winemaking heritage meets Central Coast *terroir* in this vibrant DeLoach Vineyards Pinot Noir. As a family-owned winery, we take great pride in producing distinctive wines that highlight the unique nuances of each appellation, while at the same time nourishing the land with eco-friendly viticulture and minimally intrusive winemaking. The fruit for this luscious Pinot Noir was carefully selected from premium vineyards on California's Central Coast, and was partially fermented in wooden open-top fermenters, with a small portion of the blend undergoing whole-cluster fermentation.

TASTING NOTES

This Pinot Noir is dark ruby in color that glistens at the top of every pour. Aromas of ripe summer fruit touched with the pleasantly subtle notes of dried mint lift out of the glass. The mouthwatering flavors of strawberries and Bing cherries greet the front of your palate and extend to the more herbal tastes of black tea intermingled with spearmint towards the back of the palate. This wine is medium bodied with good acidity and a refreshingly smooth finish. Pairs well with lighter dishes, including semi-soft cheese with walnuts and figs or apple-mustard glazed pork chops.
