## 2009 CALIFORNIA PINOT NOIR

### IN THE VINEYARD

As leaders in the world of Pinot Noir, we take special pride in ours, and this one is no exception. Believing that fine wine is “grown” in the vineyard, we crafted it using fruit carefully selected from premium vineyards throughout northern and central California. This achieves the unique balance of delicate Pinot characteristics and more intense fruit flavors found in the different *terroirs*.

### TASTING NOTES

This Pinot Noir is light ruby in color, with aromas of strawberry jam and a touch of mint, almost “Beaujolais” in style. To the taste, Queen Anne cherries, pomegranate, and cranberry are the primary flavors, with a hint of tobacco to round out the palate. The wine is light in body, with a medium finish, and pairs well with lighter entrees, including grilled sea bass or chicken Caesar salad.
