2009 CALIFORNIA CABERNET SAUVIGNON

IN THE VINEYARD

At DeLoach Vineyards we strive to produce distinctive wines that spotlight unique *terroirs* in a socially and environmentally responsible way, practicing sustainable viticulture and minimally intrusive winemaking.

CONVERSATIONS WITH THE WINEMAKER

Our 2009 California Cabernet Sauvignon was made from carefully selected Cabernet Sauvignon grapes grown throughout California. The select lots of wine were blended to develop complexity and true varietal character, while retaining an approachable, fruit-forward style that is appealing both at the dinner table and al fresco.

TASTING NOTES

This easy-to-drink Cabernet is classic in style. Aromas of black currant intermingle with fresh herbs de Provence, sure to entice you to the first sip. On the palate, lush, mouth-watering Santa Rosa plums mix with spicy black pepper, as the taste of rich caramel fills your palate. While soft upon entry, this well-balanced Cabernet firms up for a long, lasting finish.
